MEMBERSHIP APPLICATION - PARENTS

Support Our Youth Program – Become a Passive Member!

To ensure the ongoing development of our youth and recreational sports programs, we kindly ask parents of our young athletes to support our club through a **passive membership of one parent**.

A passive membership offers several advantages:

- You make a valuable contribution to the financing of our youth sports operations and the maintenance of our facilities.
- Through your membership, **your child gains a voice in the club** and thus the right to participate in general meetings.
- When one parent signs up as a passive member, **the one-time processing fee of 30 euros for new members is waived**.

The annual fee for passive members is equal to the regular club fee.

Alternatively, you can support the club through an **annual donation**. For contributions of **250 euros or more**, we will gladly issue a **tax-deductible donation receipt**.

With your support, you actively help to promote the athletic development of our children and youth and to secure the long-term future of our club's diverse sports programs. **Thank you for your commitment!**
